COPY

Your pages will be added to our queue for updating to SEO-friendly standards and will be upgraded in the order in which it was added to the queue. The new copy will be sent to you for approval when it is ready.

Your two pages on the new TourLouisiana.com will consist of the following.

- o First Page: Property Overview
- o Second page: Amenities - A complete list of your hotel or resort's property and room amenities.

*** In the interim, please provide two pages of copy that can be used while we draft your new copy.**

IMAGES

One "hero" image (if you have more than one image in this hero size – send it in!). **Absolutely NO text or logos - photo only.**

- o 1108 x 360 pixels.

Images for use within the copy and in a slide show that will appear on your page.

- o 20, 30, 40 photos (we might not use them all, but don't limit yourself, so we can choose from the best).
- o These do not have to be as big as the hero image, but the larger the photos, the more useful they can be.
